

PhD International Mobility Program 2025

→ Form to be sent before to: imi.contact@univ-amu.fr

- **Mobility project title:**

- **Principal investigator:**

First name: Last name: Phone: E-Mail:	PhD start date: PhD funding (Doctoral School, ANR, contract...): Laboratory:
--	---

- **PhD title:**

- **PhD supervisors and co-supervisors:**

- **PhD supervisors or co-supervisors detailed opinion (max 10 lines):.....**

PhD supervisor signature

PhD co-supervisor signature

- **New collaboration:**
 No Yes

- **Mobility period envisaged:**

- **Host laboratory contacty person:**

First name, surname: Country: Adress:	University/institution: Laboratory: Position:
--	--

- **Host laboratory contacty person detailed opinion (max 10 lines):.....**

Signature of the contact person:

▪ **Scientific project:**

The project must be at maximum 4 pages long (font size 12)

Summary of the mobility project: ½ page max

Background, motivation and objectives, scientific description of the project: 2 pages max
State of the art, motivation and objectives. Reasons to move into the chosen host team.

Risks management and contingency plan: ~ ½ page max

Personal and academic impact: ~ ½ page max
Expected impact on your PhD research work, your personal development?

Planning/timeline (possibly including a Gantt diagram): ~ ½ page max
Present the expected timeline of your work during your mobility.

Budget including justification for required funding, complementary funding if relevant: ~ ½ page max - IMI will cover all costs up to the fixed daily rate and up to 5keuros. Advances on costs will be possible.

Obligatory publication and communication rules

If the mobility project is granted, the PhD student agrees to comply with IMI and AMIDEX publication rules for any publication or communication related to the project.

*"The project leading to this publication has received funding from the Excellence Initiative of Aix-Marseille University - A*Midex, a French "Investissements d'Avenir programme" **AMX-19-IET-10**".*

Obligatory commitments

If the mobility project is granted, the PhD student agrees to provide a short report (2 pages max.) on the work carried out during the mobility. This short report will be required before any reimbursement of expenses. Also, the project will be presented at the IMI's day.
